**THE CITY OF FEDERAL WAY IS DEDICATED TO
ENSURING THE SAFETY OF OUR COMMUNITY**

Fight The Good Fight — On February 28, Mayor Jim Ferrell and Federal Way Police Department Chief Andy Hwang traveled to Olympia to provide testimony about Washington Initiative 2113, which pertains to the pursuit law. Initiative 2113 would allow police officers to engage in vehicular pursuits if they reasonably suspect someone has violated the law. Initiative 2113 would address the balance between law enforcement effectiveness and public safety.

UPDATE

SIDEWALK REPAIR INFORMATIONAL LETTER

We apologize for any confusion caused by the recent mailing from our Public Works Department, which included an informational letter sent out this week to all Federal Way residents regarding sidewalk repairs.

THE FWPD JAIL TRANSPORT UNIT IS COST-EFFECTIVE AND ADDS SIGNIFICANT VALUE

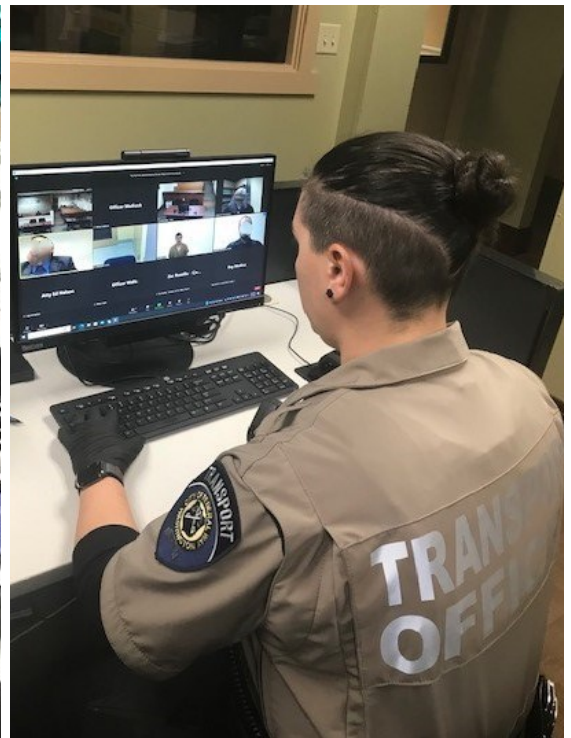

The Federal Way Police Department (FWPD) established the Jail Transport Unit (JTU) in 2019 to decrease the rising jail costs.

FWPD department analyzed costs and determined we could contract with other local jails for much less. A jail coordinator and three transport officers were hired in October 2019. We have contracts with jails in Kent, Issaquah, Nisqually, Puyallup, King County, and SCORE.

From the first year of these contracts, we have made substantial savings. These savings have continued in 2021-22, and though there has been a slight increase in prices in 2023, they are still well below the forecasted costs of the previous contract.

Our jail coordinator works closely with the courts to find alternative solutions, such as Electronic Home Monitoring, to further reduce costs. FWPD takes pride in its efforts to save costs and will continue exploring strategies to be responsible stewards of public funds.

Making it happen in Federal Way: During a typical work day, our Jail Transport Unit (JTU) moves prisoners between locations, documents releases, and occasionally transports those in custody to medical appointments. They also take custody of prisoners from police officers to free up patrol. During downtime, they enforce parking violations.

Rotary
Club of Federal Way

**LEADING
THROUGH
SERVICE**

In a world where you can choose to be independent or combine your efforts for real change, the Rotary Club of Federal Way takes the idea of community seriously through its advocacy for creating lasting change.

Providing service to others, promoting integrity, and advancing world understanding, goodwill, and peace for over 50 years with their members as a conduit, the Rotary Club of Federal Way has financially supported many organizations in the city.

Community partnerships are a cornerstone for the Rotary Club, including partnerships with the City of Federal Way, Federal Way School District, the Multi-Service Center, FUSION, the Federal Way Boys & Girls Club, the William J. Wood Veterans House, and Camp Kilworth. Focusing their efforts on meeting the needs as they are presented, the Rotary Club has been a principal sponsor for multiple agencies over the last 50 years.

The Federal Way City Council has benefited from the Rotary Club, with various members serving on the Council and City Commissions!

“Rotarians are connectors and people of action. We take the initiative to make ourselves aware of the needs of the community,” said Rotary Club member Cindy Ducich. “The best way to participate in Rotary’s outreach is to join the club!”

There is no age requirement with the Rotary Club, including for youth. The Rotary Club even has a leadership camp for youth. The Federal

Way Rotary Club pays for this leadership camp’s tuition with an award.

Rotary Club believes in key committees and encourages each of its 40 members to be part of at least one of these committees: community service, scholarships, international service, membership, and fellowship.

Final Parting Words: The Federal Way Rotary Club is part of the parent organization, Rotary International, with over one million members worldwide. After the experience of Rotary International’s anti-polio campaign, the Federal Way Rotary Club led a malaria-control program in Zambia. This \$6-million program, co-funded by Rotary International, the Bill & Melinda Gates Foundation, and World Vision Federal Way, is managed by the Federal Way Rotary Club!
