The community is invited to an online Zoom webinar to learn more about this project. A survey will be available for public input from January 21 to February 1.

The project is located along S 308 St (Pacific Hwy S to 20 Ave S) and 20 Ave S (S 308 St to S 312 St).

This project will enhance facilities for bicycles and pedestrians using roadway striping, signing, and traffic calming. The City will present design alternatives such as creating a one-way travel lane or paved shoulder on 20 Ave S.

**REGISTER IN ADVANCE**

Register in advance to attend by scanning the QR code or by visiting the project website above.

**Registration closes January 20 at 6:00pm.**

Meeting log-in and password information will be sent to all registered attendees.
