

TRIM NOTICE

DATE: _____

ADDRESS: _____

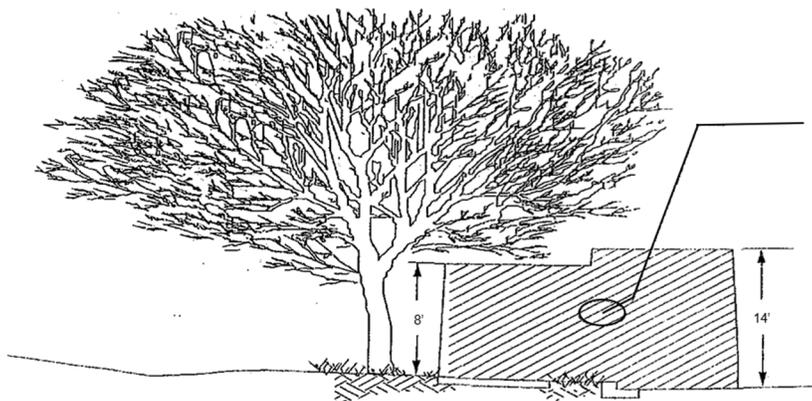

Re: Trees & shrubs adjacent to your property

Dear Property Owner:

A City maintenance crew will soon be in your neighborhood to trim overgrown trees and shrubs that impede or block vision of pedestrian and motorist traffic. The City has the right to maintain and remove all vegetation within all public rights-of-way and vegetation that overhangs the right-of-way from abutting properties, at its sole-election and as may be necessary to insure the public health, safety, welfare, and convenience. Vegetation shall be removed without limitations to eliminate visibility obstructions, pedestrian or wheelchair traffic obstructions, vehicle vision obstructions, and anything that prohibits, obstructs or impairs the free and full use of the sidewalk, pathway or street by the public. It has been noted that the (TREE(S)); SHRUB(S)) at the (FRONT, SIDE, CORNER) _____ of your property **is/are** in need of trimming.

No vegetation shall be allowed to remain in the space that is directly above the sidewalk to a height of eight feet, and from the back of curb to a height of 12 feet. The drawing below illustrates the area that vegetation is prohibited from entering. If you choose to trim the (TREE/SHRUB) yourself: please notify my office, with a name and address, at 253-835-2727 within seven (7) days of the date of this notice. If you do not respond, the City maintenance crew will perform the trimming and clear the obstruction.

SIDEWALK & ROADWAY CLEARANCES

No vegetation shall overhang the sidewalk or roadway in this area

Sincerely,
Gary Neiffer (253.835.2757)
Street Maintenance Supervisor
